Let's Talk about Country Life! This is a GEM of GEMS, Luxury Farm house sitting on over 1 acre of land with irrigation rights! This home is just Amazing. High Ceilings, open layout. Chefs Kitchen overlooking the farm land. Home previously had been used for raising different livestock; and has had the agricultural property tax exemption in the past. HUGE Plus! Home has 4 bedrooms one is currently an amazing office with French glass doors. The Master will blow you away with a massive bathroom on-suite with a huge walk in closet. The home is a must see. Very unique with so much land; and Pride of Ownership shows with recently replaced roof, Central AC and Duct work and exterior paint redone. Rare jewel now-a-days. Call to set up your showing asap.
